# Professional Spa & Hot Tub Maintenance Plans

# Spa Valet Service

We keep your Hot Tub and Spa Clean and Safe!

## Basic Maintenance Check (BMC)

\$150

\*Plus Additional Costs Referenced Above

Basic Maintenance Check (BMC)- a wipe down of surface areas, filter cleaning, and check and balance of water and water balancing. This should be performed every week.

## Dump, Refill, Balance (DRB)

\$350

\*Plus Additional Costs Referenced Above

Dump, Refill, Balance (DRB)- (in addition to BMC)- This should be performed every 2-3 months as water stops responding to chemical treatment.

## Opening, Closing, & Cleaning/ Sanitation

\$550

\*Plus Additional Costs Referenced Above

Sanitation (SAN)- (in addition to DRB) of all surfaces, with a special combination of chemicals that clean and sanitize not only the outside of the tub but clean the internal pipes and motors of your hot tub by removing build up that occurs. This should be done ever 12 months as a regular part of hot tub maintenance and cleaning.

# Professional Hot Tub Repair & Spa Repair

## Diagnostic Costs
